February 12, 2026

Good morning Turf Club Members,

PARX RACING – 02/10/2026 – LISTED 50 CENT PICK 5 PAYS - \$16,767.75!

Wow! The powerful **Trackpro Value Rating (TPV)** listed a ton of highly explosive payoffs Tuesday at Parx Racing including the listed **50 cent PICK 5 (1 x 4 x 1 x 2 x 2)** that paid a wallet-busting **\$16,767.75** for subscribers! And four of the winners were listed in the top two selections! The listed **50 cent PICK 4 (4 x 1 x 2 x 2)** in R11 paid a whopping **\$10,678.75!** The listed **\$1.00 PICK 3 (1 x 2 x 2)** returned a hefty **\$351.30**, and the **\$2.00 Daily Double (2 x 2)** in R11 paid **\$282.00!** The **TPV** handicapped a total of eight winners on the eleven race card with three winners on top. So let's get right down to the handicapping notes for each leg of the **PICK 5** sequence, so that the **Turf Club** can see for themselves exactly how the **TPV** finds overlooked horses that figure to win!

The winner in R7 shown above was the #7 SAINT EPHREM (**\$5.00**). This four year old gelding sired by TIZ THE LAW was claimed last race by trainer Michael Pino (**21.43%**) for **\$10K**, and was moved straight up into a **\$25K** purse to get the win. This gelding was not showing any **YELLOW FLAGS** as the post time favorite having been handicapped on **TOP** to win, having earned a **TPV** rating over **2.00**, and also having earned the top **Class (C)** rating in the race. In addition to this gelding having won its last race registering a “big win”, trainer Michael Pino was marked with the following Notable Trainer Statistic (*): **1st after clm (343) Win 26.53%**. The **TPV** did an excellent job marking this contender as a **SOLID FAVORITE (SF)** for subscribers. The betting public pounded the post time odds down to **3/2** at post time, so that was below Trackpro's cutoff per my **9/5 WAGERING RULE**, and the odds were also below the **5/2** morning line making the horse an underlay from a wagering perspective. The winner of R8 was the #8 NEVER SWAY (\$65.80) listed fourth in the report shown above as a **TRIPLE OVERLAY!** This seven year old mare was claimed three times in her last five races. Notice the **Multiple Claims (m)** symbol in the report! And also notice the top **POWER RATING (PR)** circled in red. And also notice the **Chart Comment (c)** symbol which two races back stated this: “Very wide into

stretch: The Brisnet Prime Power algorithm ranked this contender tenth, but the **TPV** found just enough positive handicapping factors to include this tremendous longshot in the report for subscribers which absolutely exploded the horizontal payoffs! **Trackpro** subscribers are well advised to circle all horses that qualify as **DOUBLE OVERLAYS** and **TRIPLE OVERLAYS** in the handicapped reports! In the last newsletter, **Trackpro** wrote this: “Horses showing early speed

and cutting back in distance are dangerous for sure in any race, and especially so when the horse is dropping in class off a win!" Notice that the #8 NEVER SWAY (\$65.80) ran third at the first call, and second at the second call last race at a distance of six and a half furlongs. Yesterday, the trainer cut the distance back to six furlongs and this mare cruised home at **31-1** odds as a **TRIPLE OVERLAY!** The listed \$1.00 PICK 3 (3 x 1 x 4) paid a whopping **\$3,484.00!** The winner in the first leg of this PICK 3 in R6 was the #4 LECANTO (\$33.60) which qualified as a Trackpro **DOUBLE OVERLAY!** In R7, the second leg of the PICK 3, the winner #7 SAINT EPHREM (\$5.00) was marked as a **SOLID FAVORITE (SF)**, and then the **TRIPLE OVERLAY #8 NEVER SWAY (\$65.80)** won R8 to bring home the fabulous horizontal payoffs! The \$2.00 Daily Double in R8 returned a rock solid **\$233.40!**

The winner of R9 was the #3 GET SET (\$4.40). Notice the **High Jockey / Trainer (j)** win combination. Trainer Michael Pino (21.43%) won three races on the card on Tuesday, and jockey Mychel Sanchez (19.77%) won four races, three of which were for this trainer, so they are doing well together. This nine year old gelding was claimed last race for \$16K, and registered a "big win" in that race by four lengths. Horses marked with the **Trackpro High Speed (!)** symbol do not lose often? Why? Because in general, the horses have more than enough speed versus the field they are facing to win on speed alone. In this race, the #3 GET SET (\$4.40) only won by a neck at the wire, but did win wire to wire as the heavily bet favorite, and controlling speed in the race.

The winner in R10 at Parx was the #6 PACHELBEL (\$37.80) marked by the TPV

algorithm as a **SUPER VALUE WIN BET (SV)**! Despite the morning line being set at only **5-1** by the track racing analyst, the general public floated the odds up to an unbelievable **17-1** by post time. Given the fact this six year old mare was a **Beaten Favorite (?)** last race at odds of **50 cents** on the dollar, and finished fourth, it seems the betting public must have lost their minds letting this horse leave the gate at **17-1** odds, a full *twelve points* over the already high **5-1** morning line! Trainer Michael Moore (**18.18%**) had a two horse entry in this race as can be seen in the report. As it turned out, the winner which was the #6 **PACHELBEL (\$37.80)** was the higher priced entry. An old betting angle that still works every once in a while. But **Trackpro** subscribers do not need to use "betting angles" to find overlays, because the **TPV** marked this longshot as a **SUPER VALUE WIN BET (SV)** for everyone to see as clear as daylight! The listed rolling \$1.00 PICK 3 (**4 x 1 x 2**) in R10 paid a massive **\$2,291.00!** The \$2.00 Exacta with the favorite and top selection running second paid **\$128.60!**

For those racing fans that love to bet on horses the public makes the favorite, here is some 'food for thought' sort of speak. In the last leg of the PICK 5, the public made the #6 **DUCALE** the post time favorite at **60 cents** to the dollar. This favorite was not listed on top in the **Trackpro** report, and did not earn a **TPV** rating over **2.00** which means this

favorite earned two **YELLOW FLAGS!** And not only that, why would the betting

public which is suppose to possess tons of handicapping wisdom bet the horse down to only **60 cents** despite the favorite not having won at the six and half furlong distance, and not having won on the track? And not only that, the horse had only run in the money two times in its last twelve race calls! Now look at the past performances for the winner shown below. The #3 POWER AGENDA (\$11.20) ran in the money a total of eleven times in its last twelve races! And this horse left the gate at solid **9/2** odds to anchor the listed **50 cent** PICK 5 (1 x 4 x 1 x 2 x 2) that paid a wallet-busting **\$16,767.75** for subscribers!
